Season 02 – Week 11
Problem Statement

Get ready to party! Thamizh Bharathi's birthday bash is just around the corner on April 22nd, and he's gearing up to throw the ultimate celebration for all his pals. Armed with an Excel sheet chock-full of his friends' names and email addresses. Now, the task at hand is to create a bot that can assist Thamizh Bharathi in efficiently inviting a large number of his friends to the celebration.
